TO: WILLIAM JOSEPH WEBB, JR., *pro se* Plaintiff.

Pursuant to Fed. R. Civ. P. 33, you are hereby requested to answer all Interrogatories in the space provided beneath each Interrogatory. If there is insufficient space to answer any Interrogatory, the remainder of the answer shall follow on a supplemental sheet.

The Answers to Interrogatories shall be served on all interested parties within thirty (30) days after service of the attached Interrogatories.

These Interrogatories shall be deemed continuing so as to require supplemental Answers between the time answered and the time of trial.

Pursuant to Fed. R. Civ. P. 34, all documents requested to be produced are to be attached

to the Answers to Interrogatories. In the event that the requested documents cannot be attached to the Answers to Interrogatories, you are to indicate when and where the requested documents can be inspected and the reason why they could not be attached to the Answers to Interrogatories.

Pursuant to Fed. R. Civ. P. 26, all Interrogatories shall be answered with the limitation that the answers need not include disclosure of the mental impressions of a party's attorney or his or her conclusions, opinions, memoranda, notes or summaries, legal research or legal theories. With respect to the representative of a party other than the party's attorney, discovery shall not include disclosure of his or her mental impressions, conclusions or opinions respecting the value or merit of a claim or defense or respecting strategy or tactics.

INSTRUCTIONS FOR INTERROGATORIES

- A. Unless otherwise indicated, these Interrogatories refer to the time, place and circumstances of the occurrences complained of in the pleadings.
- B. Where knowledge or information of a party is requested, such request includes knowledge of the party's agents, representatives, and, unless privileged, the party's attorneys.
- C. If you object to any interrogatory or any portion thereof, specify the Interrogatory and state all reasons for the objection thereto and respond in full to any portion to which you do not object.
- D. If you believe that any of the following interrogatories call for information or documents subject to a claim of privilege, answer or produce so much as is not objected to, state the part of each discovery request to which you raise an objection, and set forth the basis for your claim of privilege with respect to such information as you refuse to give, including a statement identifying the nature of the information withheld. For each document as to which you claim

privilege, set forth the date of the communication, the names of the communicants, names of other parties who participated in, overheard, were sent copies, or became privy to the communication, the subject matter of the communication, and the capacity in which each communicant was acting at the time of the communication.

E. All verbs include all tenses. "All" means "any and all," "any" means "any and all." "Including" means "including but not limited to." "Any" and "or" encompass both "and" and "or." Words in the masculine, feminine or neuter form shall include each of the other genders.

F. The singular shall refer to the plural and the plural shall refer to the singular.

G. These interrogatories shall be deemed to be continuing, so as to require supplemental answers where you or your attorneys come into possession of knowledge or information, responsive to these interrogatories, which has not previously been supplied. Such supplemental answers are to be served before trial and within a reasonable time after the information or knowledge is obtained. The date such additional knowledge came into your possession shall be specified, and also the identity of the individual(s) who furnished such additional knowledge or information to the person preparing the information.

H. These Interrogatories are to be answered pursuant to Federal Rule of Civil Procedure No. 33 within thirty (30) days of service hereof.

I. Please answer in the space provided after each question, and use supplemental document only if space provided is inadequate.
